

Signet Bond Fund

August 2026

Investment Objective

The Fund aims to provide investors access to revenue from placements in debt securities issued by state and municipal governments, central banks, credit institutions and corporations.

Investment Policy

Up to 100% of Fund assets may be invested in debt securities and money market instruments issued primarily by OECD and Eastern European state and municipal governments, central banks, credit institutions and corporations.

The Fund’s investments in high-yield debt securities may not exceed 70% of Fund assets.

The Fund’s income is comprised mostly of the increasing value of debt securities and income from received coupon payments.

Risk Profile

Summary risk indicator corresponds to the volatility of the Fund’s share class returns. The current risk category may change in the future. More information on the summary risk indicator can be found in the Fund’s share class key information document.
